FOR THEIR SAFETY!!

(This applies to campers under adult age)

Camp Jubilee is situated on a farm and campers sleep in dorms. We serve a wide variety of camp style foods, so please be aware if any of your campers have food allergies, as they may find they cannot eat some of our foods. **We request a parent or legal guardian accompany any camper with special needs such as food allergies, asthma, breathing problems, or any other condition or special need, any allergies to any insects such as bees, wasps, mosquitoes, ants, etc.**

We want these children/youth to come, but for their own safety and because we love them, a parent or legal guardian is encouraged to accompany them.

If a parent or legal guardian cannot come, we request that a responsible adult be chosen to stand in for the parent/guardian. This person will be responsible for the safety of the camper with medical needs. A notarized letter giving the person representing the parent/guardian consent to act on behalf of the camper in the event of medical treatment is required. **This person will assume full responsibility for this child/youth at all times.**
